

Looking back over the last 35 years, only 15 vintages of the Elisabeth Salmon cuvée have been released.

Vintages	FRESHNESS I like champagnes with floral and fruity notes (white peach, lemon verbena).	BLOOMING I like champagnes with the brightness of ripe fruit and fine notes of sweetness.	SPICES I like champagnes with spicy characters (lemongrass, saffron, etc.).	MATURITY I like champagnes with roasted and smoky notes.	COMPLEXITY I like champagnes with great aromatic complexity (undergrowth, candied fruit, honey, tobacco and liquorice).
